BROADWAY SHOWS

When an unthinkable tragedy, orchestrated by Simba's wicked uncle, Scar, takes his father's life, Simba flees the Pride Lands, leaving his loss and the life he knew behind. Eventually companioned by two hilarious and unlikely friends, Simba starts anew. But when weight of responsibility and a desperate plea from the now ravaged Pride Lands come to find the adult prince, Simba must take on a formidable enemy, and fulfill his destiny to be king.

After losing what matters most, a young man jumps a moving train unsure of where the road will take him and finds a new home with the remarkable crew of a traveling circus, and a life--and love--beyond his wildest dreams. Seen through the eyes of his older self, his adventure becomes a poignant reminder that if you choose the ride, life can begin again at any age. Water for Elephants unites innovative stagecraft with the very best of Broadway talent in an authentic and deeply moving new musical that invites us all to give ourselves to the unknown.

Spamalot, the show that set Broadway back 1,000 years...returns! Lovingly ripped from the film classic, Monty Python and the Holy Grail, Spamalot has everything that makes a great knight at the theatre, from flying cows to killer rabbits, British royalty to French taunters, dancing girls, rubbery shrubbery, and of course, the Lady of the Lake. Spamalot features well-known song titles such as "Always Look on the Bright Side of Life," "The Song That Goes Like This," "Find Your Grail" and more that have become beloved classics in the musical theatre canon.

& Juliet flips the script on the greatest love story ever told, imagining what would happen next if Juliet hadn't ended it all over Romeo, and got a second chance at life and love – on her terms. Juliet's new story bursts to life through a playlist of pop anthems as iconic as her name, all written by Max Martin and his collaborators, including "Since U Been Gone," "Roar," "Baby One More Time," "Larger Than Life," "That's The Way It Is," "Can't Stop the Feeling," and many more.

Hamilton is the story of the unlikely Founding Father determined to make his mark on the new nation as hungry and ambitious as he is. From bastard orphan to Washington's right-hand man, rebel to war hero, a loving husband caught in the country's first sex scandal, to the Treasury head who made an untrusting world believe in the American economy. George Washington, Eliza Hamilton, Thomas Jefferson and Hamilton's lifelong friend/foil Aaron Burr all make their mark in this astonishing new musical exploration of a political mastermind.

The Notebook is a new musical based on the bestselling novel that inspired the iconic film. Allie and Noah, both from different worlds, share a lifetime of love despite the forces that threaten to pull them apart, in a deeply moving portrait of the enduring power of love. Directors Michael Greif (Dear Evan Hansen, Next to Normal, RENT) and Schele Williams (Aida, Motown the Musical) team up with multi-platinum singer-songwriter Ingrid Michaelson on music and lyrics, with book by playwright Bekah Brunstetter) and choreography by Katie Spelman.

He is one of the greatest entertainers of all time. Now, Michael Jackson's unique and unparalleled artistry has finally arrived on Broadway in a brand-new musical. Centered around the making of his 1992 Dangerous World Tour, and created by Tony Award (R)-winning director/choreographer Christopher Wheeldon and two-time Pulitzer Prize winner Lynn Nottage, *MJ* goes beyond the singular moves and signature sound of the star, offering a rare look at the creative mind and collaborative spirit that catapulted Jackson into legendary status.

With his first break into songwriting in the 1960s and his meteoric rise in the 1970s, and plenty of crushing disappointments and heart-stopping triumphs along the way, Neil Diamond has maintained an almost unthinkable level of superstardom for five straight decades. How did a poor Jewish kid from Brooklyn become one of the most universally adored showmen of all time? There's only one way to tell it: a musical set to his era-defining smash hits that entranced the world.

BROADWAY SHOWS

Stephen Sondheim and Hugh Wheeler's landmark musical tells the tale of a resourceful pie shop owner and a vengeful barber out for blood. After he's sent away by a corrupt judge, Sweeney returns to London years later seeking his long-lost family, and forms an unlikely partnership with Mrs. Lovett, who serves up pies underneath his former shop. Together, they wreak havoc on Fleet Street and serve up the hottest – and most unsettling – pies in London.

THE WIZ returns to Broadway in March of 2024. This groundbreaking twist on THE WIZARD OF OZ changed the face of Broadway-from its iconic score packed with soul, gospel, rock, and finger-snapping 70's funk to its stirring tale of Dorothy's journey to find her place in a contemporary world.

Wicked, the Broadway sensation looks at what happened in the Land of Oz but from a different angle. Long before Dorothy arrives, there is another girl, born with emerald-green skin, smart, fiery, misunderstood, and possessing an extraordinary talent. When she meets a bubbly blonde who is exceptionally popular, their initial rivalry turns into the unlikeliest of friendships...until the world decides to call one "good," and the other one "wicked."

This musical follows two intertwining love stories; that of a young dreamer Orpheus and Eurydice, and that of King Hades and his wife Persephone-as it invites audiences on an epic journey to the underworld and back. HADESTOWN pits nature against industry, faith against doubt, and love against fear.

Marty McFly is a rock 'n' roll teenager who is accidentally transported back to 1955 in a time-travelling DeLorean invented by his friend, Dr. Emmett Brown. But before he can return to 1985, Marty must make sure his high school-aged parents fall in love in order to save his own existence.

Kelli O'Hara and Brian d'Arcy James star in Days of Wine and Roses, a searing new musical about a couple falling in love in 1950s New York and struggling against themselves to build their family. The New York Times calls Days of Wine and Roses "a jazzy, aching new musical with wells of compassion!" (Critic's Pick) and The Washington Post raves, "Kelli O'Hara and Brian d'Arcy James soar! One of the best new musicals this year." Adapted from JP Miller's 1962 film and original 1958 teleplay.

It's 1913 and the women's movement is heating up in America, anchored by the suffragists - "SUFFS", as they call themselves-and their relentless pursuit of the right to vote. Reaching across and against generational, racial, and class divides, these brilliant, flawed women entertain and inspire us with the story of their hard-won victory in an ongoing fight. So much has changed since the passing of the Nineteenth Amendment over a century ago, and yet we're reminded sometimes we need to look back, in order to march fearlessly into the future.

In the 1920s and 30s, The Comedian Harmonists sold millions of records, made dozens of films, and sold out the biggest theaters around the world. Their heavenly harmonies and musical comedy antics catapulted these six talented young men from singing in the subway tunnels of Berlin to international superstardom. What happened next is the story of Harmony. Harmony features an original score by Tony, Grammy and Emmy Award® winner Barry Manilow, with lyrics and book by Drama Desk Award Winner, Bruce Sussman.
