# BROADWAY SHOWS

When an unthinkable tragedy, orchestrated by Simba's wicked uncle, Scar, takes his father's life, Simba flees the Pride Lands, leaving his loss and the life he knew behind. Eventually accompanied by two hilarious and unlikely friends, Simba starts anew. But when weight of responsibility and a desperate plea from the now ravaged Pride Lands come to find the adult prince, Simba must take on a formidable enemy, and fulfill his destiny to be king.

Tony Award winner Jonathan Groff returns to Broadway as Bobby Darin, the legendary singer whose short but remarkable life took him from teen idol to global sensation, inspiring generations of performers who followed. *Just In Time* is an exhilarating new musical that immerses audiences into an intimate, swinging nightclub complete with a live big band, a stellar ensemble cast, and a parade of Bobby Darin's hits including "Beyond the Sea," "Mack the Knife," "Splish Splash," and "Dream Lover." Discover the man behind the music who pushed back against the record labels to chart a new course for himself on the charts – a once-in-a-lifetime talent who knew his time was limited and was determined to make a splash before it was too late.

Join Tony Award® winner James Monroe Iglehart and a talented ensemble cast as they bring Louis Armstrong's incredible journey to life, from New Orleans to worldwide fame. This full-scale musical features a rich tapestry of characters, including the extraordinary women who helped shape his remarkable life and career. Be captivated by Armstrong's timeless hits like "What a Wonderful World" and "When You're Smiling," performed by a large, dynamic cast. Don't miss this spectacular celebration of music, filled with vibrant dance numbers, stunning sets, and unforgettable performances.

& *Juliet* flips the script on the greatest love story ever told, imagining what would happen next if Juliet hadn't ended it all over Romeo, and got a second chance at life and love – on her terms. Juliet's new story bursts to life through a playlist of pop anthems as iconic as her name, all written by Max Martin and his collaborators, including "Since U Been Gone," "Roar," "Baby One More Time," "Larger Than Life," "That's The Way It Is," "Can't Stop the Feeling," and many more.

Hamilton is the story of the unlikely Founding Father determined to make his mark on the new nation as hungry and ambitious as he is. From bastard orphan to Washington's right-hand man, rebel to war hero, a loving husband caught in the country's first sex scandal, to the Treasury head who made an untrusting world believe in the American economy. George Washington, Eliza Hamilton, Thomas Jefferson and Hamilton's lifelong friend/foil Aaron Burr all make their mark in this astonishing new musical exploration of a political mastermind.

Audra McDonald returns to Broadway as Rose in *Gypsy*, the legendary musical from Arthur Laurents, Jule Styne, and Stephen Sondheim. *Gypsy* is the landmark Broadway musical about a domineering mother in the early 20th Century who will do anything to make her young daughters Vaudeville stars. Inspired by the early life of stripper Gypsy Rose Lee., *Gypsy* is the musical that introduced the hit songs "Everything's Coming Up Roses," "Let Me Entertain You," and "You Gotta Get a Gimmick."

He is one of the greatest entertainers of all time. Now, Michael Jackson's unique and unparalleled artistry has finally arrived on Broadway in a brand-new musical. Centered around the making of his 1992 *Dangerous* World Tour, and created by Tony Award (R)-winning director/choreographer Christopher Wheeldon and two-time Pulitzer Prize winner Lynn Nottage, *MJ* goes beyond the singular moves and signature sound of the star, offering a rare look at the creative mind and collaborative spirit that catapulted Jackson into legendary status.

Haunted by her memories and dreams, movie star Norma Desmond (Nicole Scherzinger) yearns to return to the big screen. A struggling screenwriter who can't sell his scripts to the Hollywood studios may be her only hope, until their dangerous and compelling relationship leads to disastrous circumstances. Drenched in champagne and cynicism, *Sunset Boulevard* scrutinizes the ambitions and frustrations of its characters and their intoxicating need for fame and adoration.

# BROADWAY SHOWS

The party's roaring on Broadway! The Great Gatsby is a "great, big Broadway extravaganza that explodes with life and energy" (Entertainment Weekly). F. Scott Fitzgerald's enduring masterpiece is a timeless classic that can be enjoyed whatever your age or interests. Its universal themes of the American Dream, personal ambition, and forbidden love resonate with everyone. Meanwhile, the epic set design and costumes perfectly capture the feeling of the 1920s, making the show fun to watch.

The story of a traveling preacher's wife who beamed into homes with a message of hope... and stole the country's heart. It's the 1970s. As satellites broadcast brand-new cable programming into American homes, millions fall in love with Tammy Faye Bakker – the charismatic wife of Pastor Jim Bakker. Together, they build a nationwide congregation that puts the fun back into faith. But, even as Tammy dazzles on screen, jealous rivals plot behind the scenes, threatened by her determination to lead with love.

Wicked, the Broadway sensation looks at what happened in the Land of Oz but from a different angle. Long before Dorothy arrives, there is another girl, born with emerald-green skin, smart, fiery, misunderstood, and possessing an extraordinary talent. When she meets a bubbly blonde who is exceptionally popular, their initial rivalry turns into the unlikeliest of friendships...until the world decides to call one "good," and the other one "wicked."

This musical follows two intertwining love stories; that of a young dreamer Orpheus and Eurydice, and that of King Hades and his wife Persephone-as it invites audiences on an epic journey to the underworld and back. HadesTown pits nature against industry, faith against doubt, and love against fear.

Marty McFly is a rock 'n' roll teenager who is accidentally transported back to 1955 in a time-travelling DeLorean invented by his friend, Dr. Emmett Brown. But before he can return to 1985, Marty must make sure his high school-aged parents fall in love in order to save his own existence.

Madeline Ashton is the most beautiful actress (just ask her) ever to grace the stage and screen. Helen Sharp is the long-suffering author (just ask her) who lives in her shadow. They have always been the best of frenemies...until Madeline steals Helen's fiancé away. As Helen plots revenge and Madeline clings to her rapidly fading star, their world is suddenly turned upside down by Viola Van Horn, a mysterious woman with a secret that's to die for. After one sip of Viola's magical potion, Madeline and Helen begin a new era of life (and death) with their youth and beauty restored... and a grudge to last eternity.

It's 1913 and the women's movement is heating up in America, anchored by the suffragists - "SUFFS", as they call themselves-and their relentless pursuit of the right to vote. Reaching across and against generational, racial, and class divides, these brilliant, flawed women entertain and inspire us with the story of their hard-won victory in an ongoing fight. So much has changed since the passing of the Nineteenth Amendment over a century ago, and yet we're reminded sometimes we need to look back, in order to march fearlessly into the future.

The new romantic musical comedy, Maybe Happy Ending, is a fresh, original musical about the small things that make any life worth living. Inside a one-room apartment on the outskirts of Seoul, Oliver lives a happily quiet life, listening to jazz records and caring for his favorite plant. But what else is there to do when you're a Helperbot 3, a robot that has long been retired and considered obsolete? When his fellow Helperbot neighbor Claire asks to borrow his charger, what starts as an awkward encounter leads to a unique friendship, a surprising adventure, and maybe even...love?
